WARRANT FOR ANNUAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To either of the Constables of the Town of Wayland in said County:

Greeting:

In the name of the Commonwealth you are required to notify and warn the inhabitants of said Town qualified to vote in town elections to meet at their respective polling places on

MONDAY, MARCH 6TH, 1922

at six o'clock in the forenoon, there and then to bring in their ballots for a Moderator, a Town Clerk, three Selectmen, a Treasurer, a Collector of Taxes, an Auditor, a Surveyor of Highways, a Tree Warden, and seven Constables, all for one year.

One member of the School Committee, one Cemetery Commissioner, two Trustees of the Public Library, one Overseer of Poor, one Assessor, one member of the Board of Health, one Water Commissioner and one Park Commissioner, all for three years.

Also to vote "Yes" or "No" upon the question, "Shall licenses be granted for the sale of certain non-intoxicating beverages in this town?"

All the foregoing to be voted on the official ballot. The polls will be open at 6.15 o'clock in the forenoon and will remain continuously open for at least four hours, when they may be closed unless the voters otherwise order.

And you are required to notify and warn the inhabitants of said town qualified to vote in town affairs to meet at the Town Hall on

WEDNESDAY, MARCH 8TH, 1922

at 7.45 P. M. then and there to act on the following articles.

Article 1. To hear the reports of town officers, agents and committees, and act thereon.

Article 2. To choose all necessary officers, agents and committees not elected by official ballot.

Article 3. To grant money for all necessary town purposes.

Article 4. To appropriate the money received from Dog Licenses.

Article 5. To see if the town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year.

Article 6. To see if the town will vote to authorize the Town Treasurer to borrow a sum of money for the purpose of constructing a sidewalk on the State Road between Bennett Road and the Catholic Church.

Article 7. To see if the town will instruct the Tax Collector to take the necessary steps to enforce the payment of all taxes within six months from November of each year beginning with November 1921 or do or act.

Article 8. To see if the town will appropriate and assess the sum of (\$500.00) Five Hundred Dollars to repair road near Mr. Coffey's to the Lincoln line, or do or act.

Article 9. To see what action the town will take in regard to discontinuing the practice of employing married women as teachers in our public schools, with the exceptions of Drawing and Music teachers.

Article 10. To see if the town will appoint a Committee of four to act in conjunction with the Board of Health to investigate and report at a future town meeting in regard to the condition and elimination of Pigeries in the north end of the town, or do or act.

Article 11. To see if the town will appropriate and assess a sum of money not exceeding \$500.00 for the purpose of repairing Pleasant Street and regraveling the sidewalk on the northerly side of said street or do or act.

Article 12. To see if the town will vote to appropriate and assess a sum of money not exceeding \$50.00 to make

necessary repairs to town clock and its dials on M. E. Church tower, Cochituate, or do or act.

Article 13. To see if the town will vote to appropriate and assess a sum of money not exceeding \$50.00 to install an electric light on the Main Street dial of the Town Clock on the M. E. Church tower, Cochituate.

Article 14. To see if the town will vote to instruct the Fire Engineers to install two additional Fire Alarm Boxes in Cochituate, one in the vicinity of the residence of Arthur E. Peck on Main Street and one in the vicinity of the residence of Sidney G. Hahn on Pond Street.

Article 15. To see if the town will vote to purchase a steam road roller and to appropriate and raise a sum of money for said purpose, or do or act.

Article 16. To see if the town will vote to purchase a suitable truck for road work, and to appropriate and raise a sum of money for said purpose, or do or act.

Article 17. To see if the town will vote to purchase a watering cart for road work, and to appropriate and raise a sum of money for said purpose, or do or act.

Article 18. To see if the town will vote to execute a release to the Sandy Burr Country Club, Inc. of a strip of land on the Southerly side of Cochituate Road, containing a quarter of an acre, more or less, formerly a part of the "Dwight Farm," or do or act.

Article 19. To see if the town will accept a gift of Rev. J. D. Binnette, pastor of the St. Zepherin Church, of a certain lot of land in the St. Zepherin Cemetery, for Soldiers and Sailors.

Article 20. To see if the town will vote to install a hydrant near the residence of Charles S. Wright and appropriate money for the same.

Article 21. To see if the town will give authority to any person or persons to manage in behalf of the town the fund of ten thousand dollars given by the will of Jonathan M. Parmenter to the town of Wayland upon trust, and mentioned in the fourteenth item of said will, until such authority shall be revoked by later action of the town or otherwise.

Article 22. To see if the town will give authority to any person or persons to manage in behalf of the town the fund of Five Thousand Dollars given by the will of Johnathan M. Parmenter to the town of Wayland in trust, and mentioned in the fifteenth item of said will, until such authority shall be revoked by later action of the town or otherwise.

Article 23. To see if the town will instruct the Selectmen to appoint a committee to represent the town and act in conjunction with the trustee or trustees of the estate of Jonathan M. Parmenter in reference to the Hospital and Water bequests, respectively.

Article 24. To see if the town will authorize the town treasurer to borrow a sum of money in anticipation of a reimbursement from the County and State on account of oiling of roads.

Article 25. To see if the town will under the provisions of Section 45 of Chapter 41 of General Laws create on the first Monday of March in the year 1923, a board of commissioners of trust funds, consisting of three persons who shall have the management of all trust funds given or bequeathed for the benefit of the town or the inhabitants thereof, except each one of said trust funds the management of which by said commissioners of trust funds would be contrary to the provisions made by the donor thereof, by the election, under the provisions of said Section 45, of one member of said board for one year, of one member thereof for two years, and of one member thereof for three years, at the annual town election on the first Monday of March in the year 1923.

Article 26. To see if the town will authorize the Town Treasurer to borrow a sum of money in anticipation of a reimbursement from the County and State on account of repairs on Main Street, Cochituate.

Article 27. To see if the town will vote to raise and appropriate the sum of \$250 or some other amount, and elect a director for demonstration work in agriculture and home economics, the money to be expended by, and the director to serve in cooperation with the County Trustees for Aid to Agriculture of the Middlesex Bureau of Agriculture and Home Economics, under the provisions of Chapter 273, General Acts of 1918; it being understood that \$100 shall be expended for local supervision of boys' and girls' club work.

And you are required to serve this Warrant by posting copies thereof, attested by you, at the Town Hall, at each Post Office in town, and on the Engine House in Cochituate, seven days at least before the time of holding said election.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk on or before March 4th, 1922.

Given under our hands this 15th day of February, in the year of our Lord, one thousand nine hundred and twenty-two.

CHARLES A. BENSON
 NAPOLEON PERODEAU
 WILLIAM J. SCOTLAND

Selectmen of the Town of Wayland

February 1922.

Constable of the Town of Wayland.

TOWN WARRANT

MARCH 7th, 1921

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To either of the Constables of the Town of Wayland in said County:

Greeting:

In the name of the Commonwealth you are required to notify and warn the inhabitants of said Town qualified to vote in town elections to meet at their respective polling places on

MONDAY, MARCH 7th, 1921

at six o'clock in the forenoon, there and then to bring in their ballots for a Moderator, a Town Clerk, three Selectmen, a Treasurer, a Collector of Taxes, an Auditor, a Surveyor of Highways, a Tree Warden, and seven Constables, all for one year.

One member of the School Committee, one Cemetery Commissioner, two trustees of Public Library, one Overseer of Poor, one Assessor, one member of Board of Health, one Water Commissioner, all for three years.

Also to vote "Yes" or "No" upon the question "Shall licenses be granted for the sale of certain non-intoxicating beverages in this town?"

All the foregoing to be voted on the official ballot. The polls will be open at 6.15 o'clock in the forenoon and will remain continuously open for at least four hours, when they may be closed unless the voters otherwise order.

And you are required to notify and warn the inhabitants of said town qualified to vote in town affairs to meet at the Town Hall on

WEDNESDAY, MARCH 9th, 1921 AT 7.45 P. M.

then and there to act on the following articles:

Article 1. To hear the reports of town officers, agents, and committees and act thereon.

Article 2. To choose all necessary officers, agents, and committees not elected by official ballot.

Article 3. To grant money for all necessary town purposes.

Article 4. To authorize the Selectmen to consult counsel on important town cases and to defend the town against any action at law or suit in equity that may be brought against it.

Article 5. To appropriate the money received from Dog licenses.

Article 6. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year.

Article 7. To see if the Town will appropriate and assess a sum not exceeding \$1500.00 for painting the school houses in Wayland and in Cochrane, and for wiring and installing electric lights in the Wayland School house, or do or act.

Article 8. To see if the Town will appropriate and assess a sum not exceeding \$15.00 for installing electric lights at Shore Acres, so called, or do or act.

Article 9. To see if the Town will appropriate and assess a sum of money for the purpose of installing electric lights on Rice Road between the residence of Alexander Sauer and Old Connecticut Path, or do or act.

Article 10. To see if the Town will vote to pay all town laborers \$4.00 per day or otherwise act.

Article 11. To see if the Town will vote to pay \$4.00 per day for a two horse team or otherwise act.

Article 12. To see what action the Town will take in regard to appropriating \$600.00 for repairs on Pelham Island Road and Culverts.

Article 13. To see if the Town will vote to purchase a piece of land of Mrs. L. S. Hanna for gravel purposes, the land alone for \$400.00 or with the wood for \$500.00 or do or act.

Article 14. To consider and vote by ballot upon the question, shall Sections One to Nine, inclusive, of Chapter Forty-five of the General Laws, authorizing cities and towns to lay out public parks within their limits be accepted.

Article 15. To see if the Town will elect a Board of three Park Commissioners and prescribe their terms of office or otherwise do or act.

Article 16. To see if the Town will vote to give to the Board of Park Commissioners the authority to exercise the powers and rights of the Town as to public playgrounds.

Article 17. To see if the Town will accept the gift of the whole or any part of the real estate described in deed of Jonathan M. Parmenter to Edwin Farnham Greene and Edmund H. Sears, dated December 28, 1910 and recorded with Middlesex South District Deeds, Book 3811, page 216 and shown on plan 50, Book of Plans 215 in said Deeds upon certain trusts set forth in Declaration of Trust, dated July 17, 1911 and recorded with said deeds, Book 3645, page 206, and will authorize the Selectmen to accept a deed or deeds of said real estate or any part or parts thereof with such restrictions and upon such trusts as to the Selectmen seem proper or do or act.

Article 18. To see if the Town will vote to appropriate and assess the sum of \$500.00 to repair sidewalk on Westerly side of Cochituate Road from B. & M. R. R. to beyond School Buildings.

Article 19. To see if the town will vote to install a hydrant near the residence of Charles S. Wright and appropriate money for the same.

Article 20. To see if the Town will appropriate and assess a sum not exceeding \$500.00 for the purchase of new hose for the Fire Department.

Article 21. To see if the Town will vote to appropriate and assess the sum of \$700.00 to build a retaining wall on the easterly side of Pemberton Road near the residence of Isabelle C. Pettigrew, or do or act.

Article 22. To see if the Town will vote to increase the School Committee two members from three as at present to five members and instruct the Selectmen to take any action to

change its By-Laws, if necessary, to carry out the above purpose.

Article 23. To see if the Town will vote to appropriate and raise a certain sum of money for the purpose of purchasing a steam road roller, or do or act.

Article 24. To see if the Town will vote to purchase a two horse road scrapper, and to appropriate and assess a sum not to exceed \$300.00 for said purpose or do or act.

Article 25. To see if the Town will vote to appropriate and assess a sum of money to build a sidewalk on State Road West between the residence of J. W. Egan and the residence of Harry Moyses, or do or act.

Article 26. To see if the town will vote to raise and appropriate the sum of \$300.00 or some other amount, and elect a director for démonstration work in agriculture and home economics, the money to be expended by, and the director to serve in co-operation with the County Trustees for Aid to Agriculture of the Middlesex County Bureau of Agriculture and Home Economics, under the provisions of Chapter 273, General Acts of 1918; it being understood that \$150.00 of this amount shall be used to provide local paid supervision of boys' and girls' club work.

Article 27. To see if the Town will vote to appropriate and assess a sum of money not exceeding \$200.00 to regrade and repair the sidewalk on the east side of Pemberton Road between Pond Street and Harrison Street, or do or act.

Article 28. To see if the Town will appropriate and assess the sum of \$1000.00 to repair Glezen Road from Hazelbrook Road to the Weston Line or do or act.

Article 30. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen to borrow the sum of \$5000.00 in anticipation of a reimbursement from the County and State on account of repairs on Main Street, Cohituate.

Article 31. To see if the Town will accept the following bequest.

\$100.00 Received from Mrs. Ellen Adelaide Ellis to be known as the "Jonas and Celinea Gardner Bennett Fund" income from which to be used for the perpetual care of the

Jonas Bennett, Lots No. 103-104, in the North Cemetery.

Article 32. To see if the Town will vote to abolish the Wayland High School and authorize the School Committee to pay for the tuition and transportation of pupils wishing to attend high schools in neighboring towns, or do or act.

Article 33. To see if the Town will vote to authorize the School Committee to pay the tuition and transportation of pupils whose parents desire shall attend high schools in neighboring towns, or do or act.

And you are required to serve this Warrant by posting copies thereof attested by you at the Town Hall, at each Post Office in town, and on the Engine House in Cochrane seven days at least before the time of holding said election.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk on or before March 4th, 1921.

Given under our hands this 15th day of February in the year of our Lord, one thousand nine hundred and twenty one.

CHARLES A. BENSON,
NAPOLEON PERODEAU,
WILLIAM J. SCOTLAND,

Selectmen of the Town of Wayland.

TOWN CLERK'S OFFICE

March 9th, 1921.

And pursuant to said Warrant the inhabitants of Wayland qualified to vote in town affairs met and did the following business:

Article 1. Voted to accept the report of the Finance Committee printed in the town report. The report is as follows:

The Committee recommends the following appropriations:	
Abatement of taxes	\$500.00
General Administration	
Salaries	\$3800.00
Moderator	
Selectmen	
Auditor	

Town Clerk	
Treasurer	
Collector	
Assessors	
Overseers of Poor	
Election Officers	
Registrars	
Sealers of Weights and Measurers	
Incidentals	1200.00
Printing Town Reports	600.00
Protection of Life and Property	
Police	2000.00
Fire Department	1500.00
Health Sanitation	325.00
Board of Health	\$250.00
Inspector of Animals, Salary	75.00
Highways, Bridges and Sidewalks	5000.00
Oiling Highways	7000.00
Railing for Highways	500.00
Street Lighting	3000.00
Moth Extermination	1207.28
Charities	
Support of Poor	1600.00
Education	25500.00
Covering Salaries	
School Committee	
Superintendent	
Teachers and Janitors	
Supplies, Transportation	
Manual Training	
Incidentals	
School Physicians	75.00
Library and Reading Room	2500.00
Memorial Day Observance	300.00
Soldiers' Benefits	800.00
Cemeteries	
Lakeview, North and Center	800.00
Wayland Schoolhouse Equipment Bond	1400.00

Cochituate School House Bond	1500.00
Playground notes	2000.00
Fire Department Truck note	1000.00
Interest	3000.00

Total including overdrafts \$69,825.49

The above appropriations are recommended for the fiscal year ending Dec. 31, 1921 in addition to such balances as appear on the treasurer's books unexpended from last year's appropriation. We recommend that the money for removing snow, town insurance and surety bonds and requirements for legal claims be drawn from the Revenue Account.

We recommend that the amount of the overdrafts of the various accounts be appropriated and assessed as follows:

Abatement of taxes	\$343.22	
Highways and Bridges	1,291.80	
Education	1,078.37	
Incidentals	4.82	\$2,718.21

We recommend that the balance for the North Cemetery Fence account be used for the extension of fences in same cemetery.

We recommend that the Salary of the Selectmen be \$150.00 each year and Fifty Dollars extra for Clerk of Board of Selectmen.

Motion made that report be amended to appropriate and assess \$300.00 for improvement of corner of State Road and Cochituate Road and other work on playgrounds. Voted to refer this matter covered by this motion to the Finance Committee for investigation instructing said committee to report on the matter at a future town meeting.

Article 2. John Connelly, Isaac Damon and Walter B. Henderson were elected Trustees of the Allen Fund.

Voted that the Selectmen act as Fence Viewers. t

Voted that the Constables act as Field Drivers.

Israel A. Lupien, Frank Haynes and William Fullick were elected Surveyors of Lumber.

Israel A. Lupien, Arthur F. Marston, William S. Lovell and Arthur W. Atwood were elected Measurers of Wood and Bark.

James J. Bolton, James I. Bryden, Thomas W. Frost, Robert S. Stearns, Irvin Schleicher, Marcus M. Fiske, Thomas Magorty, Harry Craig, Amedee Perodeau and Frank Burke were elected members of the Memorial Day Committee.

Article 3. Voted that the various amounts specified in the Finance Committee's Report be appropriated and assessed and recommendations adopted. (See Art. 1.)

Article 4. Passed Over.

Article 5. Voted to appropriate the money received from Dog Licenses one half to the schools and one half to the library.

Article 6. Voted that the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1st, 1921, to issue a note or notes therefor payable within one year, any debt or debts incurred under this vote to be paid from the revenue of the said financial year.

Article 7. Referred to Finance Committee.

Article 8. Referred to Finance Committee.

Article 9. Referred to Finance Committee.

Article 10. Voted to pay all town laborers \$4.00 per day.

Article 11. Voted to pay \$4.00 per day for a two horse team.

Article 12. Voted to appropriate and assess \$600.00 for repairs on Pelham Island Road and Culverts.

Article 13. Referred to Finance Committee.

Article 14. Voted that ballot be taken on following question:

"Shall Sections one to nine, inclusive, of Chapter Forty-five of the General Laws, authorizing cities and towns to lay out public parks within their limits be accepted?"

The election apparatus not being available, the Presiding Officer decided the vote by ballot be taken, appointed tellers, provided voting lists and ballots. Lester R. Gerald, Ernest E. Sparks, J. Sidney Stone and Edward M. Bennett were ap-

pointed tellars. The voters marked and deposited their ballots which were sorted, counted and result declared as follows:

Total vote cast	174
Yes	137
No	33
Blacks	4

The act was declared accepted.

Article 15. Voted to elect a board of three Park Commissioners, one for a term of one year, one for two years and one for three years; that each year beginning with 1922 one member be elected for a term of three years and to be elected on the official ballot if found possible under the law so to do.

The following were elected as Park Commissioners:

Robert S. Stearns for one year
 Warren D. Valentine for two years
 John B. Wight for three years

Article 16. Voted to give the Park Commissioners the authority to exercise the powers and rights of the town as to public playgrounds.

Article 17. Voted that the Town gratefully accept as a gift from Mr. Edwin Farnham Greene and Mr. and Mrs. Edmund H. Sears the land described in the deed referred to in Article 17 except such portion as has been or is about to be conveyed to Mr. John B. Wight upon the trusts set forth in the Declaration of Trust referred to in said article and that the Selectmen be and they are hereby authorized to accept deeds thereof in such form as to the Selectmen seem proper.

Voted unanimously.

Voted that the town gratefully accept as a gift from Mr. John B. Wight the portion of the Real Estate described in Art. 17 which is offered by Mr. Wight as set forth in the proposed deed submitted to this meeting and that the Selectmen be and they are hereby authorized to accept said deed with the restrictions and conditions as to them seem proper.

Voted unanimously.

A rising vote of thanks was given to Mr. Edwin Farnham Greene, Mr. and Mrs. Edmund H. Sears and Mr. John B. Wight for their extreme generosity.

Article 18. Referred to Finance Committee.

Article 19. Passed over.

Article 20. Voted to appropriate and assess a sum not exceeding \$500. for the purchase of new hose for the Fire Department.

Article 21. Referred to Finance Committee.

Article 22. Passed over.

Article 23. Referred to Finance Committee.

Article 24. Voted to appropriate and assess a sum not exceeding \$300.00 to purchase a two horse road scraper.

Article 25. Referred to Finance Committee.

Article 26. Voted to appropriate and assess \$300.00 for the purpose stated in the article and to otherwise adopt said article.

Article 27. Referred to Finance Committee.

Article 28. Referred to Finance Committee.

Article 29. Voted that the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$5000.00 in anticipation of a reimbursement from the State and County on account of repairs on Main Street, Cochrane and issue a note or notes therefor payable one year from date, with interest.

Article 30. Voted to accept the bequest named in this article.

Article 31. Passed over.

Article 32. Passed over.

Meeting dissolved at 10.45 P. M.

A true copy, attest:

WARREN L. BISHOP,
Clerk of the Town of Wayland.

SPECIAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To either of the Constables of the Town of Wayland in said County:

Greeting:

In the name of the Commonwealth you are required to notify and warn the inhabitants of said town qualified to vote in town affairs to meet at the Town Hall on Wednesday, the 29th day of June, 1921 at 7.45 P. M. then and there to act on the following articles:

Article 1. To hear any reports of committees, boards, agents or officials and act thereon.

Article 2. To see what action the town will take in regard to extending the street lights from the Cutting Estate to the Sudbury line on Sudbury Road, or do or act.

Article 3. To see if the town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow the sum of \$5,000.00 in anticipation of a re-imbursement from the State and County on account of oiling and patching on Cochituate, Concord and Sudbury Roads and Pond Street, Cochituate, or do or act.

Article 4. To see if the town will vote to appropriate and raise \$950.00 for the purpose of purchasing a Gravel Loading Machine, or do or act.

Article 5. To see if the town will accept the following bequest: \$100.00 received from Paul T. Draper and Mrs. Emma D. Wellington, executors under the will of Alden D. Wellington, to be known as the "Alden D. Wellington Fund," income from which to be used for the perpetual care of the Alden D. Wellington Lot No. 195 in the North Cemetery.

Article 6. To see if the town will appropriate and assess a sum of money for the purpose of installing electric

lights on Rice Road between the residence of Alexander Sauer and Old Connecticut Path, or do or act.

Article 7. To see if the town will appropriate and assess a sum of money to print the Assessors' Valuation List for 1921.

Article 8. To see what action the town will take regarding a sidewalk along the State Road.

Article 9. To see what action the town will take in paying Frank C. Moore for six months' service for taking care of Engine Room in Wayland, or do or act.

Article 10. To see if the town will appropriate and assess \$1000.00 for that part of Glezen Road from the corner ofa Hazel Brook Lane to the Weston Line, or do or act.

Article 11. To see if the town will appropriate and assess a sum not exceeding \$1,500.00 for painting the school-houses in Wayland and Cochrute and for installing electric lights in the High School Building.

And you are required to serve this warrant by posting copies thereof attested by you at the Town Hall, at each post office in town and at the Engine House in Cochrute, seven days at least before the date of said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk on or before date of said meeting.

Given under our hands this 15th day of June 1921.

CHARLES A. BENSON,
WILLIAM J. SCOTLAND,
Selectmen of Wayland.

TOWN CLERK'S OFFICE

June 29th, 1921

Pursuant to the foregoing warrant, the inhabitants of the town of Wayland met and did the following business:

Article 1. No action.

Article 2. Voted to refer matter to the Selectmen with power to install not more than 10 lights.

Article 3. Voted that the Town Treasurer with the ap-

proval of the Selectmen be and hereby is authorized to borrow the sum of \$5000.00 in anticipation of a reimbursement from the State and County on account of oiling and patching on Cochituate, Concord and Sudbury Roads and Pond Street, Cochituate. Vote: Yes 46, No 0.

Article 4. Voted to appropriate and assess \$950.00 for the purpose of purchasing a Gravel Loading Machine and that the Selectmen be the committee to purchase same.

Article 5. Voted to accept bequest.

Article 6. Voted to refer matter to the Selectmen with power to install not more than 5 lights.

Article 7. Voted that the Assessors be authorized to print the Valuation as made up this year and to appropriate and assess \$500.00 for said purpose.

Article 8. Voted to refer the matter to a committee consisting of the Selectmen, Park Commissioners and Edmund H. Sears with power to confer with State Highway Officials and to bring in proposals, estimates of cost etc. at a future town meeting.

Article 9. Voted to refer the matter to the Selectmen and Fire Engineers with power to settle the matter at their discretion and any money they may find payable to be taken from the Fire Department account.

Article 10. Voted as article reads.

Article 11. Voted as article reads.

Meeting dissolved at 10.00 P. M.

A true copy, attest:

WARREN L. BISHOP,

Clerk of the Town of Wayland.

SPECIAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To either of the Constables of the Town of Wayland in said County.

Greeting:

In the name of the Commonwealth you are required to notify and warn the inhabitants of said Town qualified to vote in town affairs to meet at the Town Hall on Wednesday, November 16, 1921 at 7.45 P. M. then and there to act on the following articles:

Article 1. To hear the reports of town officers, agents, and committees and act thereon.

Article 2. To see if the Town will accept the gift under the will of Jonathan M. Parmenter, late of Wayland, of Ten Thousand Dollars (\$10,000) to be held in trust to keep the principal well invested and to expend only the income for the purchase of books, pamphlets, papers, maps, plans and other educational matter for the public library of said Town, or do or act.

Article 3. To see if the Town will accept the gift under the will of Jonathan M. Parmenter, late of Wayland, of Five Thousand Dollars (\$5,000.00) to be held in trust to keep the principal well invested and to spend the income (or as much as may be necessary) first in keeping in good condition the family lot in which his parents and other members of the family are buried, and second in caring for the north and center cemeteries in said Town, or do or act.

Article 4. To see if the Town will accept the bequest under the will of Jonathan M. Parmenter, late of Wayland, for the purpose of establishing a system of water supply for a certain portion of the Town as set forth in Item 17 of said

will and Item 2 of a fourth codicil of said will, or otherwise do or act.

Article 5. To see if the Town will accept the gift of Mr. Dwight Heard of a lot of land on the State Road having a frontage of about 180 feet State Road East, or do or act.

Article 6. To see if the Town will vote to employ a District Nurse and to appropriate and raise a sum of money for said purpose, or do or act.

Article 7. To see if the Town will vote to appropriate and raise a sum of money to install four electric lights on Moore Road leading from Trainfield Road, or do or act.

Article 8. To see if the Town will vote to appropriate and raise the sum of \$500.00 for the purpose of further improving the town playgrounds, or do or act.

Article 9. To see if the Town will authorize and undertake the improvement of the drainage of land between Bow Road, Concord Road and Old Sudbury Road and of the Brook leading therefrom, or do or act.

And you are required to serve this warrant by posting copies thereof attested by you at the Town Hall, at each Post Office in town and at the Engine House in Uchituate seven days at least before the date of said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk on or before the date and time of said meeting.

Given under our hands this 7th day of November, A. D. 1921.

CHARLES A. BENSON,
 NAPOLEON PERODEAU,
 WILLIAM J. SCOTLAND,
Selectmen of the Town of Wayland.

TOWN CLERK'S OFFICE

November 16th, 1921

Pursuant to the foregoing warrant the inhabitants of Wayland met and did the following business:

1. No action.

2. Voted to gratefully accept the gift under the will of Jonathan M. Parmenter, late of Wayland, of \$10,000.00 to be held in trust to keep the principal well invested and to expend only the income for the purchase of books, pamphlets, papers, maps, plans and other educational matter for the Public Library of said town, and that the Treasurer of the Library Funds be authorized to receive and receipt for same.

3. Voted to gratefully accept the gift under the will of Jonathan M. Parmenter, late of Wayland, of \$5,000.00 to be held in trust to keep the principal well invested and to spend the income (or as much as may be necessary) first in keeping in good condition the family lot in which his parents and other members of the family are buried and second in caring for the North and Center Cemeteries in said town, and that the Town Treasurer be authorized to receive and receipt for same.

4. Voted to gratefully accept the bequest under the will of Jonathan M. Parmenter, late of Wayland, for the purpose of establishing a system of water supply for a certain portion of the town as set forth in Item 17 of said will and Item 2 of a fourth codicil of said will.

5. Voted to gratefully accept the gift of Mr. Dwight Heard of a lot of land on the State Road having a frontage of about 180 feet State Road East, that a committee of three to be appointed by the Chair be authorized and instructed to consider the question of erecting a tablet or other suitable memorial in recognition of Jonathan M. Parmenter's gift to the town.

The Chair appointed the School Committee as such committee. Voted that the Clerk thank Mr. Heard for the gift.

6. Voted that \$125.00 be taken from the Revenue Account and placed at the disposal of the Selectmen to be used to pay a District Nurse from Dec. 1, 1921 to Jan. 1, 1922.

7. Voted that the sum of \$60.00 be appropriated from the Revenue Account to install four electric lights on Moore Road leading from Training Field Road.

8. Voted that \$500.00 be appropriated from the Revenue Account for the purpose of further improving the Town Playgrounds.

9. Voted to refer the matter to the Board of Health, and

that they be authorized and instructed to clean out the brook according to the Laws of the Commonwealth.

Meeting dissolved at 9.30 P. M.

A true copy, attest:

WARREN L. BISHOP,
Town Clerk of Wayland.

Total	<hr/> \$615.00

WARREN L. BISHOP,
Town Clerk of Wayland.

SELECTMEN'S REPORT

APPOINTMENTS

The regular appointments have been made as required by law. They appear in the list of Town Officers and Committees.

ROAD OILING

The past year \$12,056.00 has been expended for oiling and patching, \$5000. of which was allotted us by the State and County.

This money was expended on Concord Road, Sudbury Road, Pelham Island Road, Plain Road, a part of Connecticut Path, Cochituate Road, Pond Street, Plain Street, Pemberton Road, Harrison Street, Shawmut Avenue.

This oil was laid under the direction of the State Engineer.

MAIN STREET, COCHITUATE

Work was started very late in the fall, through the fact that the State Engineers deemed it necessary from time to time to make material changes in the specifications before going ahead with the work.

The sub-grade was prepared under the direction of the Highway Surveyor, and the contract for surfacing was let to the Framingham Construction Co., the only bidder.

The Selectmen and State Engineers thought it advisable while rebuilding Main Street to include the square in front of Knights of Labor Hall. The State and County have agreed to let any balance remaining from the Main Street appropriation apply on this work.

STREET LIGHTS

The Edison Company have been instructed to install street lights as voted by the Town on Rice Road and Moore Road.

Installation, however, has been delayed on account of the recent storm.

It was deemed inexpedient to order installation of lights on Sudbury Road at this time.

The Selectmen again wish to thank the town officers and citizens for their co-operation during the past year.

CARLES A. BENSON,
NAPOLEON PERODEAU,
WILLIAM J. SCOTLAND,
Selectmen of Wayland.

REPORT OF FINANCE COMMITTEE

The committee recommend the following appropriations:

Abatement of Taxes	\$500.00
General Administration	3,500.00
Salaries of	
Moderator	
Selectmen	
Auditor	
Town Clerk	
Treasurer	
Collector	
Assessors	
Overseers of Poor	
Election Officers	
Registrars	
Sealer of Weights and Measures	
Incidentals	1,500.00
Printing Town Reports	400.00
Protection of Life and Property	
Police	2,000.00
Fire Department	1,500.00
Health and Sanitation	
Board of Health	700.00
Inspection of Animals	150.00
Highways and Bridges	4,000.00
Oiling Highways	6,000.00
Railing for Highways	500.00
Sidewalks	2,000.00
Main Street and approaches (Cochituate)	1,000.00
Street Lighting	3,500.00
Tree Warden	500.00
Park Commissioners	300.00

Moth Extermination	400.00
Charities	
Support of Poor	1,200.00
Education	31,000.00
Covering Salaries,	
Superintendent	
School Committee	
Teachers	
Janitors	
Supplies	
Transportation	
Manual Training	
Incidentals	
Fuel, Light Power	
District and School Nurse,	1,500.00
School Physician	75.00
Library and Reading Room	2,800.00
Aid to Agriculture	300.00
Memorial Day Observance	400.00
Soldiers Benefits	400.00
Cemeteries	800.00
Lake View, North and Center	
Interest	7,000.00
Two Playground Notes	2,000.00
1 Fire Dept. Equipment Note	1,000.00
Cochituate School House Bond	1,500.00
	<hr/>
Total including overdrafts	\$87,323.01

The above appropriations are recommended for the fiscal year ending December 31, 1922 in addition to such balances as appear on the treasurer's books unexpended from last year's appropriations for above accounts.

We recommend that the money for removing snow, town insurance and surety bonds and requirements for legal claims be drawn from the Revenue account. We recommend that the amount of the overdrafts of the various accounts be appropriated and assessed as follows:

Incidentals	\$194.44
Police Department	39.25

Board of Health	119.73
Inspector of Animals	75.00
Street Lighting	791.53
Education	1,627.51
Interest	1,919.00
Tree Warden	4,057.64
Cochituate School Ground	9.10
Printing Valuation Reports	4.35
Glezen Road	3.30
Installing Electric Lights and Painting School Bldgs.	28.96
Pelham Island Road	16.20
Road Scraper	12.00
<hr/>	
Total overdrafts	8,898.01

We recommend that the unexpended balances of 1920 of the following special accounts be transferred to the Highway account:

Tower Hill Road	\$5.00
Old Connecticut Path	8.50
Sherman Bridge	176.27
Glezen Road	250.00
<hr/>	
Total	\$439.77

We recommend that the unexpended balance of Playground (Griffin Field) account be transferred to Park Commissioners account. \$21.39

We recommend that all other balances not mentioned above be returned to the Revenue account with the exception of Town House repairs, Cemetery Fence, Cemetery and Water Department accounts which balances shall remain.

We recommend that the Auditor's salary be increased to \$150. (One Hundred and Fifty per annum.)

We recommend that the money received from Dog Licences be appropriated one half to the Schools (Education) and one half to the Library.

We recommend that the Highway Department keep a separate account of each appropriation as specified.

We recommend that the appropriation for District and School Nurse be under the charge of the School Committee.

We recommend that the sidewalk be built as per plans of your committee, on the State Road and that one half of the required amount be taken from the appropriation for sidewalks and the other half be paid by note for one year and that the work be let out by contract.

The Committee ask the voters' attention to the financial situation of the Town.

The Town books show uncollected back taxes to the amount of \$86,913.07. Against this \$86,913.07 the Town has issued short term notes to the amount of \$82,000.00.

These short term notes were issued in anticipation of tax collections but taxes have not been paid. On November 12, 1921, one of these notes for \$10,000.00 came due, and it has not been paid. Another note for \$7,000.00 came due on December 4th, and that also remains unpaid.

No more money can be borrowed against these outstanding taxes, nor can these notes be renewed under the law, and there is no money in the treasury to pay the Town's obligations.

In the case of a private individual, the situation would mean bankruptcy. A Massachusetts town under similar circumstances has been sued within the year.

In addition to the above indebtedness, the Town owes \$15,500.00 which is covered by bonds, \$4,500.00 of which falls due during 1922.

Another phase of this situation is the accrued interest charges. It is generally thought that the interest received on unpaid taxes will cover the interest on money borrowed in anticipation of taxes, and while this may finally work out nearly even, the voters attention is directed to the fact that during the past year only \$738.33 interest was collected on back taxes.

There was a balance, December 31, 1920, of \$614.71 on interest account. The town voted \$3,000.00 additional money to cover all interest charges. During 1921, there was collected in interest \$738.33, making a grand total of \$4,353.04. The Town paid out in interest \$6,272.04 or \$1,919.00 more than the grand total for payment of interest.

To remedy this situation we recommend that the Town instruct the Tax Collector to take the necessary steps to enforce the payment of all taxes within six months from Nov-

ber of each year, beginning with November 1921.

The Committee further asks the attention of the voters to the increasing tendency of the Town Departments to disregard and violate the law of the Commonwealth against overdrafts.

During the past year there were overdrafts in seven departments of the Town, to the amount of \$8,629.66. This refusal of these departments to be restricted to the amount of the appropriations made by the Town for its several departments indicates a lack of respect for the authority of the law and a disregard for the wishes and instructions of the voters of the Town expressed in Town Meeting. Overdrafts by Town Departments should no longer be tolerated.

REPORT OF PUBLIC HEALTH NURSE

Mr. Chairman and members of the Wayland Public Health Committee: I wish to submit my annual report for the year ending December, 1921.

Public Health Nursing; that is, beside care and general observations of conditions pertaining to Public Health Nursing both in schools and homes was started in December, 1920. No actual bedside nursing was done by the nurse until the latter part of the month. Since that time numerous cases needing general care have been attended to.

School Nursing was started by the Wayland Nurse in Sudbury on January 26, 1921, and discontinued in December of same year.

Many dental defects in the Wayland and Cochuate Schools were corrected by the Middlesex County Farm Bureau's Dental Clinic.

The Parent-Teachers' Association of both schools donated scales.

Tooth powder and brushes were sold in both schools at cost.

During the year needy families were supplied with clothing donated by members of the Wayland Woman's Club.

A loan or Supply Closet was started by members of the Public Health Committee.

Through the courtesy of the Boston and Middlesex Railway Company a complimentary pass was issued on May 1. Many people have been most generous in loaning their cars to reach homes that were inaccessible otherwise.

During the fall of 1921 many social service cases were handled by the nurse.

Concluding, I wish to thank the former members of the

Public Health Committee for their hearty co-operation, as they were ever ready to assist me. I also wish to thank the townspeople for their cordiality as they did much to make the nursing service in the town a success.

Respectfully submitted,

MARY E. McNEIL

Wayland Public Health Nurse.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Wayland:

The School Committee submits herewith its annual report for the year 1921.

During the year both school buildings have been painted, the High School on the outside and the sashes and basement of the Cochituate building. Electric lights, which have been badly needed in the High School, have finally been installed. Various repairs have been made, among the more important being the repointing of the cement work on the Cochituate building, repairs on the heating plant and the installing of a new hood on the High School building. Both buildings are now in good condition inside and out.

It is encouraging to note an increase in the number of students in the High School. It is hoped that the boys and girls will realize more and more the importance not only of completing the high school course but of continuing their education after graduation. With the help of scholarships and loan funds at the disposal of the various colleges and the innumerable possibilities of earning ones expenses a person of reasonably good ability and plenty of energy and ambition need not regard lack of money as a serious obstacle. As a step toward encouraging pupils to go beyond high school a scholarship of \$250 has been established by the Parent Teachers Association. The scholarship is to be awarded "to the graduate of the Wayland High School entering college or any other higher institution of learning approved by the School Committee, who by his scholarship, conduct and character shows, in the opinion of his or her teachers, the greatest promise and ability to take advantage of the opportunity which would be afforded."

Of the utmost importance in raising the standard of the schools has been the putting into effect of a new scale of salaries. The new scheme provides for a minimum salary

of \$1200 and a maximum of \$1450 in the grades and a minimum of \$1400 and a maximum (to be determined) in the high school. As a result it has been possible to retain the best teachers and to fill vacancies with teachers of the right qualifications.

Another plan has been adopted which it is believed will add to the efficiency of the teachers by keeping them in touch with modern methods and ideas in teaching and by increasing their proficiency in their particular line of work. It provides that any teacher who, after having been in the school for a year, takes and satisfactorily completes a summer course or an extension course approved by the School Committee and the Superintendent, shall be given \$50 in addition to her regular salary for each year up to three during which she has taken such course. Already two teachers have taken advantage of the opportunity and the results have been excellent.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Wayland School Committee:

Gentlemen:

Herewith is submitted the twenty-fifth annual report of the Superintendent of Schools.

During the past fiscal year which this report covers certain innovations have been made in school administration which are worthy of note; some of the newer educational ventures have been tested; a new law has become operative.

General Acts, Chapter 277. Section 1.

"The school committee of each city and town shall, within one year after the passage of this act, and annually thereafter, ascertain, under regulations prescribed by the Board of Education and the director of the commission on mental diseases, the number of children three years or more retarded in mental development who are in attendance upon the public schools of its city or town, or who are of school age and reside therein."

Section 2

"At the beginning of the school year of 1920, the school committee of each city and town in which there are ten or more school children three years or more so retarded shall establish special classes to give such children instruction adapted to their mental attainments, under regulations prescribed by the Board of Education."

The commission created by the act herein quoted is at work. This District is the second territory to take up this study under the direction of the Commission. The work has been completed in Wayland with the exception of the report of the examining Commission. Until the report and recommendations of the Commission shall have been received and carefully considered no further action can be taken.

Governor Channing Cox refers to this law in his recent inaugural address as follows—"The establishment of school clinics.....whereby school children three or more years backward are examined, represent an extraordinary achievement, there being no known similar provision anywhere in the world."

The purpose of the school clinic is clear. It may be well to review some of the outstanding features that we may better appreciate those things which it is hoped may be accomplished.

The first purpose of the study is to determine if possible if there are physical or mental ailments causing the slow progress that may be treated and cured. Of equal importance is the finding out the type of mind a child has. If the retardation is caused by a misfit as to courses recommendations will be made to the school officials and parents as to the type of educational work the child should pursue. Every child cannot be an all round student. Many are limited to certain lines of endeavor. The clinic should determine the proper courses that should be pursued by individuals who are capable but limited to certain fields of endeavor.

If retardation is caused through mental deficiencies so great that work with normal children cannot be profitably pursued segregation will be feasible and possible. The normal children as well as the subnormal children will be materially benefitted thereby.

Another legislative Act that affects Wayland materially although indirectly is the raising of the minimum salary of teachers throughout the State if towns are to share in the distribution of the General School Fund.

The salary schedule adopted by you, after much deliberation and study, and made effective with the beginning of the current school year, may seem high to those who have not investigated the salary question thoroughly or to those who are still comparing salary schedules of today with those of several years ago. The following quotation from a letter received under date of Dec. 29, 1921, from the State Department bears upon this subject—"Of more than 19,000 teachers in Massachusetts, about 1600 were receiving less than \$1,000 salary January 1, 1921. As a result of the February and March

meetings of the year now closing, this number was doubtless considerably reduced. This is the most recent information available." Such a condition throughout the State and duplicated largely in other New England States explains the needs of the action taken by the Wayland Committee in establishing the present salary schedule.

If Wayland is to maintain a staff of teachers with experience, strength of character, skilled in the art of handling many children with varying natures, coming from homes largely of refinement and ambition, a lower salary schedule cannot be considered. My experience in town these many years leads me to believe that beginners cannot measure up to the needs of Wayland Schools or to the aspirations of most of the parents for their children.

I am pleased to report to you herein as I have often done during the current year to you verbally that Wayland has in all probability never employed heretofore a corps of teachers so highly skilled in the arts of educational endeavor and endowed with a higher conception of the great task that is theirs. We should sincerely hope the action of the Town at the forthcoming meeting will give hearty approval of your action by lending financial support to a continuance of your policy in regard to employing teachers of educational proportions, approaching the community ideals.

The Parent-Teacher Associations and the Public Health Committee have been wholesomely and vigorously active in the interests of the boys and girls of Wayland. Unless some report be made as to the work of these organizations and committees elsewhere it seems fitting to devote some space to their activities and plans in this report.

The Wayland Parent-Teacher Association gave the children of the Town an afternoon with the Health Clown and our Dr. Hadley in the interest of better health and clean mouths. A victrola and several records have been presented the school. The lunch room was financed to the close of the last school year when it was taken over by the School Committee. Doors for the booths in the toilets have been given and installed. Basket balls, footballs, football equipment, and some indoor games have been provided. Money to purchase pictures for Art Appreciation and for the starting of a school library has been voted. We had the rare privilege of listening to a de-

bate, subject, The Smith-Towner Bill, by Dr. Holmes, Dean of the Department of Education, Harvard University, and our Mrs. Henderson. The Sargent School of Physical Education gave the students an exemplification of their work. Mr. Payson Smith, Commissioner of Education, gave his audience an interesting and profitable evening. Weight and height scales have been presented to the town.

This fall a supper and dance was given for the purpose of raising funds to offer a scholarship to the Senior Class. This proved a social and financial success. Three Hundred Four Dollars was realized clear of all expenses. Two Hundred Fifty Dollars have been set aside for the scholarship to be awarded in June. The remaining Fifty-four Dollars have been invested toward another scholarship. All funds have been invested and the accrued interest will be added to the fund remaining over for another year.

The purpose of offering this scholarship is not so much to assist an individual to a year's work at some higher institution as to stimulate better effort on the part of students in the high school. If the standard of scholarship is not raised in the school, if the ideals of good school work in the school are not elevated to a higher plane, if the attitude toward educational advantages offered by the town are not more highly appreciated by the students the main issues for which the effort is being made will have been lost. We believe the cause worthy of trial and have faith in the results, in fact there are already signs of better effort.

The Christmas party at the Town Hall was a very enjoyable occasion for the children and the older ones there assembled. The singing of Carols was spirited and effective. The hall was decorated attractively. The gifts for the children were gratefully received. Santa Claus in the person of Mr. John Molloy and his attendant, Roger Mills, offered no end of merriment for the children. The Cochituate children and the Wayland Center children are especially grateful to Mr. Molloy, Master Mills, and Mrs. Loring who furnished the Santa Claus costume, for their part in giving all a merry time. Those who assisted the officers of the Association and the officials no doubt feel well repaid for their efforts.

The Cochituate Parent-Teacher Association has had several quiet but profitable meetings during the year. A very

large sum for a community of this size to raise by food sales was realized from a function to raise money to support the Dental Clinic. Recently another sale has been held for the purpose of raising money to purchase scales for the school. The scales have been purchased and installed.

The Public Health Committee directed the raising of funds and the expenditure of same for two purposes, assisted by the Parent-Teacher Associations.

A nurse was employed a full year to work in the schools and town. The action of the town in voting recently to employ a nurse full time rather than as now required by law for school service only with other towns is a compliment to the good work of Mrs. McNeil and to the foresight of the Public Health Committee in taking up the question of a community nurse with the Red Cross before the law was framed obliging towns to perform this duty to the school children.

The Public Health Committee, supported by the Parent-Teacher Associations, raised money and borrowed money that the Middlesex County Farm Bureau Travelling Dental Clinic might be given a trial in Wayland.

As a parent I am very grateful to those who have been active in the aforementioned enterprises and activities for the betterment of our school service and for the benefit of our children. I am confident that all who have children in the schools unite with me in expressing true gratitude from hearts warm with the goodfellowship of service freely given for the good of all.

THE DENTAL CLINIC

For some weeks two dentists from the Middlesex County Farm Bureau worked in the two schools last year toward the close of the schools. I think we should examine the record of work with care. It is as follows:

Number of Patients

Wayland	55
Cochituate	108

Number of Treatments

Wayland	50
Cochituate	71

Number of Fillings	
Wayland	267
Cochituate	436
Number of Extractions	
Wayland	93
Cochituate	197
Number of Cleanings	
Wayland	55
Cochituate	108

One hundred sixty-three children were treated in the two schools. All had their teeth cleaned. 121 were given treatments. 103 cavities were filled and 289 teeth extracted.

The cost for all the work is \$820.51: Wayland \$309.89; Cochituate \$510.62. The average cost in Wayland is \$6.07; Cochituate \$4.68. There are \$282.65 unpaid in Cochituate and \$65.85 in Wayland. Highest expenditure \$26.34; lowest \$.66.

All bills have been paid by the Public Health Committee through Red Cross Funds and by gifts and solicited funds.

As a parent I am pleased with the work done by the dentists on my children and am perfectly satisfied with the cost.

Whatever our opinions as to this particular venture I believe we can heartily agree that clean mouths are as essential to health as are clean faces and hands; that good teeth are as essential to good appearance as a clean face and orderly clothing. Those who are in sympathy with the movement for clean and healthy teeth as a health movement will I am confident agree with me in the view that the care of the teeth is very easily neglected and postponed by older people when looking after their own interests and much more easily neglected and put off by busy parents in caring for their children.

How shall children receive dental service in towns like Wayland and towns more isolated is a question worthy of careful consideration.

The dental clinic should perform the service more conveniently for parents in Wayland and less expensively as well. A dental clinic in the school should take away much of the dread attached to the dental office in those children who are

nervous and difficult to manage in this respect. A clinic in the school makes it possible to care for some children whose parents cannot bear the full cost.

If the method of providing dental service in Wayland for the children as tested out does not seem desirable is there some other way of performing this needed service?

Some towns furnish a room and hire a dentist to do the work by the hour as needed. This service is paid for by the town, a charge being made for all work but so low that all can bear the cost. Other towns charge a yearly dental insurance and meet the cost in excess thereof through taxation or benevolence.

I feel confident that a town so progressive educationally as Wayland in the matter of teachers salaries and general school facilities will find a satisfactory solution to this advanced and highly desirable educational work.

During the year an extensive school survey, accompanied by mental measurements, was made by the Department of Education, Harvard University. The study of the Report has been highly interesting to all the teachers and to myself. We are finding it helpful in substantiating our estimates of individuals in school. I am confident that parents whose children are making slow progress in school will find the record of their child helpful to them.

Arrangements have been made for two school surveys the current year. We are grateful for the opportunity given and those in prospect for comparing the work of our schools with the work of many children in other school systems.

With so many new and varied activities in the schools in one year or a little over it would be a wonder if there were not some errors made, if some projects did not turn out as well as we thought, or if there were not some misunderstandings.

The school of today is a new school, difficult to understand in many ways, complicated, and varied. School life must deal with many activities heretofore not necessary or in any way attached to school work, plus activities now known to have been essential to the vigor and efficiency of men and women all the time but only recently recognized as such.

I have been very much interested and gratified by the comments made by visitors to your schools from out of town. The State Commission examining backward children commented very favorably on your buildings, their condition and location, the luncheon service and quality of food served at the Center, the high grade of children attending the schools, the physical condition of the children, the advance work that is being done for health and vigor and the general fine spirit among teachers and pupils. It must be gratifying to townspeople to know that Wayland is accredited as a progressive town educationally.

We should be remiss in our expressions of appreciation if the Teachers' Lodge were not called to mind in this report. The home life there is a great help to your teachers. The project has been watched with much interest in other towns. It was my duty and privilege to present the facts in relation to this home for teachers at the State Meeting of Superintendents at Framingham last May.

Until this project is self sustaining we shall be beholden to certain individuals for oversight and contributions each year.

The high school day consists of seven forty minute periods approximately.

This means thirty-five forty minute periods per week for study and recitation. One of these periods is quite generally devoted to music. The students generally have twenty recitation periods per week. This means that students have only fourteen forty minute study periods to prepare twenty assignments for recitation. A student, it is very evident, needs home study regularly at a regular time for two hours. An arbitrary length of time is misleading for some may need less and others more. The point to be made is that boys and girls in high schools need regular study hours at home for the purpose of practice along lines suggested by the assignment and for the purpose of reviewing and considering the explanations of principles in previous recitations as well as the very helpful attempts to reach sane conclusions in fields untouched by the class room.

There seems little to hope for if students do not try to help themselves by study and toil, browsing in magazines and among the shelves of our library. Good hard work for a reasonable number of hours weekly will cure a good many of the failures in high school. College entrance is often denied

where there is ability because there has not been study. Failure in offices and in other lines of employment are sure to follow indifferent school habits.

So exacting and extensive have become the college entrance requirements that no little consideration has been given in large schools to the need of more maturity in students if they are to be met successfully and the college work thereafter prosecuted satisfactorily. There is a tendency to make the College Preparatory Course cover a period of five years instead of four. This is worthy of consideration and should be remembered in estimating the work of your school if tried by the failures to enter college through the examination system.

I recommend that manual training and sewing be again established in the schools.

In view of the increased number of children in the Cochituate District and the decrease in school population in the Center District I am pleased to recommend for your consideration the abolishment of the Sub-primary work in the Cochituate School and the making of the entrance age at both schools five years and six months instead of five years eight months as at present. I think this will unify the work in the two schools and be more satisfactory to all concerned.

It is a pleasure to note that Frederick Hammond has won the Middlesex County Pig Club Championship this year.

One of the most enjoyable occasions of the year was the evening session of the Cochituate School, held that parents and Citizens might see the school in operation. Many of the visitors had not previously seen the inside of our high grade building. The Wayland building is not wholly lighted so that an evening session is not possible in that district.

Your attention is cordially directed to the reports of your School Physician, your Director of the lunch room and cookery class, your Nurse, and your High School Principal.

I am, as ever, truly grateful to you for your vigorous support at all times, to the teachers for their professional aggression, to the boys and girls for their fine spirit, and to the citizens and parents for the many words of helpfulness during my term of service.

Respectfully submitted

FRANK H. BENNETT

REPORT OF THE HIGH SCHOOL PRINCIPAL

Mr. Frank H. Benedict,
Cochituate, Mass.

Dear Mr. Benedict:

I herewith submit to you my fourth annual report as Principal of the Wayland High School.

Maximum enrollment for the school to date	68
Present enrollment, boys 27, girls 39, total	66

Enrollment by classes

	Boys	Girls	Total
Freshmen	8	18	26
Sophomores	8	7	15
Juniors	6	6	12

The subjects listed above have been assigned to teachers as follows:

Miss MacNamara

English I, English II, English III, English IV, and U. S. History.

Miss Gifford

Latin I, Latin II, Latin III, French II, French III, and French IV.

Miss Merrithew

Stenography III, Stenography IV, Bookkeeping II, Bookkeeping III, Typewriting III, Typewriting IV, Penmanship I, Penmanship II, and Commercial Law.

Miss Allison

Cooking.

Mrs. Sayward

Boy's Drawing, Girl's Drawing.

Mr. Allen

Algebra I, Geometry II, Science I, Arithmetic I, and Physics.

Miss Boland

Music to all students.

I wish to mention to you, that I consider that the students are causing the school to have a better spirit than in the past years for which I have written reports. It is true that much improvement can take place in the future but I consider the gain thus far worthy of mention. It is worth while to call your attention to the sportsmanlike conduct of our boys in athletics under the direction of Mr. Robert Stearns. The boys played clean, hard football and were able to win many games from schools of much larger enrollment than that of Wayland High School. With the close of the football work the spirit has not been forgotten and I am hoping that it will grow to be the proper Wayland Spirit.

We are working also for better scholarship in the school. The teachers are pressing the students for more and better work, and are meeting with some resistance in their efforts. I wish that the parents could be made to understand that a high school student cannot expect to do all of his work in school; that most students require from one to two hours of work out of school in order to do the daily work outlined by the teachers. Parents who do not provide this time and also insist that it be used for study are not doing their full part in aiding the school.

Sincerely yours,

DAVID J. ALLEN.

Wayland, Mass., January 6, 1922.

REPORT OF SCHOOL PHYSICIAN

F. H. Benedict, Supt. of schools of Wayland:

Sir:

I have the honor herewith to give you my report as school physician for the year 1921.

The schools this year are in good condition, as I have always found them, and I am sure they are getting better year by year, this speaking well for the administration of superintendent and teachers.

The buildings are well kept up, well ventilated and in a sanitary condition. The janitors I have always found faithful, keeping the rooms clean, well heated and ventilated. I have found the teachers always interested in keeping the children well and watching for the possible presence of any contagious disease that might arise. We have had no epidemic to contend with this year, and very little sickness of any kind among the children. A few cases of impetigo, that troublesome, contagious skin disease, have kept a few children out of school for some time.

The school nurse has proved to be very useful in many ways, making many visits to the families that the school physician could not make.

I have noted great improvement in the teeth of the children as the result of the work of the dentists last season. To show improvement in this respect I am comparing two of the intermediate grades with last year.

Wayland 1920.

Number examined 53. 44 have decayed teeth.

1921

Number examined 55. 19 have decayed teeth.

Percentage having decayed teeth for 1920, 82% ; 1921, 34%

Cochituate 1920.

Number examined 61. 48 have decayed teeth.

1921

Number examined 67. 29 have decayed teeth.

Percentage having diseased teeth in 1920, 79 %

Percentage having decayed teeth in 1921, 42%

This is a great improvement, but parents must remember "that eternal vigilance is the price of safety." Children of this age ought to visit the dentist at least twice a year, as the primary teeth are soft and break down easily. If all could see, as I do, how much the children develop when this source of ill health and facial deformity is removed; how much brighter and more intelligent are their faces, and recognize the improved growth and weight and increased capacity for studying no parent could regret the small amount of money spent, and only would be sorry that we can not have these dentists every year. Some of us will live to see a law passed that every town must appropriate money for a school dentist who will give the most of his time to work among the school children.

Decayed teeth are not the only defect among our children.

There are some who have adenoids, some are undernourished, being underweight and under measurement. Most of our cases of tuberculosis in after life are drawn from this class.

I have examined every pupil attending school this year. My totals are as follows:

Wayland	174
Cochituate	192
	<hr/>
Total in town	366

Percentage having diseased teeth 34%.

Percentage in 1920 49%.

Respectfully submitted,

W. H. SYLVESTER.

School Physician.

REPORT OF COOKERY CLASSES AND LUNCH ROOM

Mr. Benedict:

I hereby submit a report of the Cookery Classes and Lunch room service in the Wayland High school.

The lunch room service is conducted along the same general lines as last year. There has been a substantial growth in the number of pupils taking advantage of this service. Food is served at as low a price as is consistent with the initial cost of material. The accounts show a surplus in September of \$8.72, in October \$10.96. The cost of materials used in the cookery classes is covered by money received for the lunches.

There are two courses in cookery, an elementary course given to the girls of the eighth grades of both schools and an advanced course given to all High school girls and required of the girls in the Freshman class.

As now arranged the cookery classes are operated in conjunction with the preparation of the lunches; this in combination with small quarters makes it very difficult to conduct classes to the best advantage. If arrangements could be made whereby a larger room with individual equipment could be had, and a person employed to prepare the lunches under the direction of the Cookery teacher more of the teacher's time would be available for teaching other subjects in household arts as for example sewing.

Respectfully submitted,

J. OLIVE ALLISON.

January 17, 1922.

REPORT OF LIBRARY TRUSTEES

The annual report of the Librarian to the Trustees is herewith submitted.

A comparison of the figures of this report with those of ten years ago, will give an idea of the growth of the activities of the library.

	Number of books in Library	Year's Accessions	Circulation
Year ending March 1, 1912	17,665	286	11,392
Year ending Jan. 1, 1922	19,745	863	25,904

A large number of obsolete and worthless books have been withdrawn from the shelves and catalogue between these dates. The necessity for this is inevitable in every library. Especially in fiction many books are of an ephemeral nature, although persistently called for during their time of popularity. In scientific works, those of useful arts, medicine and surgery, sociology, mechanics and encyclopaedic works generally, constant removal is imperative. The growth and extension of attainment in these branches in our age is enormous, and so-called standard books quickly become inadequate and obsolete. It has therefore been the policy of the Trustees of this Library not to cumber the shelves with a useless accumulation of dead material, but within reasonable limits, to retain only live, virile and useful books.

The above comparison of figures will make it clear that the increased work of the library cannot be done on any past financial basis. An increase in our administrative force is imminent, and the remuneration of our librarians must be kept commensurate with increased duties. For this reason the trustees have suggested to the Finance Committee of the town an increased appropriation for the ensuing year.

A meeting of the Newton Neighborhood Group of Librarians was held in the Library Wednesday October 26, 1921,

which was attended by forty members. Dr. Frank H. Chase of the Boston Public Library gave a valuable and helpful address which was followed by a lunch. Our library, both as to its architectual and administrative features, was the recipient of many compliments from persons most competent to judge of these.

Following the course initiated last year, the list of new books added the past year will be distributed to the townspeople in a separate pamphlet form. This will be done at no expense to the town.

BEQUEST

Under the will of Mrs. Abbie M. Heard there was received during the year, a bequest of \$3,025.44 to establish the Sarah Webster Heard Fund

FRANCIS SHAW, *Treasurer*

CEMETERY COMMISSIONERS' REPORT

During the past year the town has received one additional gift as a fund for perpetual care of lots, making a total of forty-one funds amounting to \$4.850. These funds are all invested in United States Liberty Bonds.

In the newer part of the North Cemetery much work has been done in clearing out dead trees and removing stumps, which adds materially to the general appearance. The additional appropriation of \$300. which the town voted for care of Cemeteries for the past year, has been judiciously expended and is reflected in the appearance of all the Cemeteries.

Appended is statement showing balances held by the treasurer subject to order of the Cemetery Commissioners on Dec. 31, 1921:

General Cemetery Account

1921			
Jan.	1	Balance	\$330.12
		Proceeds from sale of lots	
		in Lake View Cemetery	110.00
		Proceeds from sale of lots	
		in North and Center Cemetery	110.00
		Proceeds from sale of hay	10.00
		Proceeds from sale of wood	80.00
			\$640.12
		Expended for improv-	
		ments and tools	509.25
Dec.	31	Balance	\$130.87

Lake View Cemetery

1921			
Jan.	1	Balance	\$1.78
March	9	Appropriation	4.00
			\$401.78
		Expended	
			385.00
Dec.	31	Balance	\$16.78

North and Center Cemeteries

1921

Cemetery Commissioners.

WATER COMMISSIONERS' REPORT

The following report is respectfully submitted:

The past year has been prosperous for the Wayland Water Works.

There has been plenty of water in our reservoir and therefore no necessity for buying elsewhere. Owing to excessive rain storms however there has been an unusual swampy color and taste to the water.

There has been thirty-two new services installed, and nearly five hundred dollars in rates have been collected over the best previous year.

At the September meeting it was voted to lower the 1300 feet of galv. pipe given to the Town on Lakewood Road by Brown & Stackpole. There being a number of cottagers wishing to use the water through the Winter this pipe supplies seventeen cottages and was furnished by Brown & Stackpole as the Water Dept. didn't have the necessary funds in 1920.

In accordance with the Governor's recommendations we put the unemployed to work and laid 1400 feet of pipe on Fuller Ave. to supply new cottages now under construction.

WALTER S. BIGWOOD
Superintendent Wayland Water Works
 HENRY G. DUDLEY,
 JAMES C. MCKAY
 CLARENCE S. WILLIAMS, *Clerk.*

REPORT OF WAYLAND WATER COMMITTEE

December 31, 1921

The following report is a supplement to the one rendered in the Official Town Report for the year 1918, pages 123 to 129.

In the passing away of Mr. Paul T. Draper the Committee suffered the loss of an honored and helpful member, always willing to do, and wise in counsel. In further pursuit of a supply of water for the Town, we continued our investigation of the Hall Spring. On recommendation of the State Board of Health, and Engineer J. J. Van Valkenburg, it being supposed that an adequate supply could be obtained in this vicinity; but when the wells were driven, and the tests were made in the words of the Engineer "The tests demonstrated the fact that it is highly improbable that any considerable amount of potable water additional to that flowing from the Hall Spring can be obtained in the neighborhood, and that the hope of obtaining a water supply for the Town from this source must be abandoned.

Your Committee then took up the matter with the Metropolitan District Commission to see what was possible in obtaining a supply from that source and found that it would be necessary to get permission from the legislature.

In view of the provision of the Parmenter will in reference to a water supply for a portion of the Town and the possibilities that this opens up, your committee feels that they should await further developments.

REPORT OF PARK COMMISSIONER

The Board organized with Robert Stearns as Chairman and W. D. Valentine as Clerk. Lack of funds prevented any improvement work until after the special town meeting in November. Plans were made for improving the lot at the corner of Cochituate Road and the State Road which had been purchased by the town, and which will form the entrance to the playground.

In this we were materially assisted by the Highway Department which was glad of an opportunity to better the roads at this point. With the appropriation voted at the special meeting a substantial retaining wall was built at the culvert where the brook passes under Cochituate Road, the banks of the brook straightened and graded and the remainder of the lot filled in. The driven well on the lot was capped to preserve it for possible future need. The expense of this work for labor and material amounted to \$315.00 of which one bill of \$12.20 is unpaid having been received too late to be included in the year's account. Work was also begun on the grading at the Cochituate playground but work was laid over till Spring on account of freezing weather. There also remains to be done the final grading and seeding down of the lot; and the appropriation of \$300.00 asked for is designed to restore the unexpended balance of last year's appropriation for completing the work already in hand; and to leave in the hands of the commission a modest balance as a working fund to meet any emergency that might arise. The Commission would not advise the undertaking of any further extensive improvements at this time, but believes that a comprehensive plan for the development of both playgrounds should be made for the guidance of this and succeeding boards, and with the return of better times, the making of a small appropriation each year to carry forward the work in accordance with such plan. The sum of \$25.00 was received from F. J. Bigwood for pasturage privilege on occupied portion of the Wayland playground and the same was turned over to the Town Treasurer.

Respectfully submitted,

ROBERT STEARNS, *Chairman*

JOHN WIGHT

W. D. VALENTINE, *Clerk*

BOSTON, MASS.

THE
VALUATION LIST
OF THE
TOWN OF WAYLAND

FOR THE YEAR

1921

ROCKWELL & CHURCHILL PRESS
BOSTON, MASS.

REPORT OF THE ASSESSORS

The assessors have made this year a general revaluation of the whole town. This had not been done for some years, and although individual readjustments have been made from time to time, some properties had increased in value while others had depreciated and a complete revaluation was needed.

The law requires the assessors under oath to assess at "the full and fair cash value." It is needless to say that the law has been interpreted with latitude in practically every town. We believe that if actual values are used it is easier to get the assessments in fair proportion, one to another, and easier for taxpayers to check up the fairness of their taxes. We have heard many objections on the ground that our State and county taxes will be increased out of proportion to other towns. We went into this question with a good deal of care. The apportionment of the income tax from the State to the towns is now made first to reimburse the towns for the loss of taxes on intangible property, and second, a general distribution of the balance in proportion to the State tax. Each year the former of these distributions decreases by law ten per cent so that the latter part increases, until in 1928 the income tax will be distributed wholly in proportion to the assessment of the State tax. For the present year the income tax money received from the State is \$13,310.58, and the whole State and county taxes (omitting highway and moth taxes of \$958.93 which are differently apportioned) amount to \$11,662.63. In our opinion we stand to lose little or nothing on this score at present with the probability of a yearly increasing advantage in favor of full valuation.

It is hard for each taxpayer to get reconciled to an increase in his valuation, but if we have succeeded in getting reasonably close to actual values, each will pay substantially his fair share.

We are sometimes told that we discourage the man who improves his property if we increase his valuation. It is no part of our duty to determine which are the good citizens and the bad, and reward or penalize in proportion to their deserts. We are to determine the value of property as it stands, which is a sufficiently difficult job. The town does not undertake to pay its citizens to keep up or improve their property, and if we fail to tax values as we find them we are giving away money that comes out of the pockets of the taxpayers who are fully assessed.

Many feel that we should discriminate in favor of old soldiers, widows and so on. We have definite instructions on these matters which we are expected to follow. For example, the people have instructed us by law to exempt a certain amount of property of Civil War veterans under certain

conditions. If we in addition undervalue their property, we are giving them money which belongs not to us but to the taxpayers. If they, through their representatives, change the law to increase the exemptions we will gladly do so, but it is for them to decide, not for us.

A good deal of misunderstanding arises from comparing the assessments in detail. It should be born in mind that what really counts is the total valuation of each parcel, land and buildings combined. For statistical purposes we are required to separate the total into value of land and of each building. This we do as well as we can, but it is a practical impossibility to have each building compare exactly with others. The same building might be worth more or less, according to its location. A barn once useful may be of little value to a place where horses are no longer used or likely to be. A large house in certain locations may be worth less than a smaller one would be. Also it is often misleading to compare land at the price per acre. One parcel may contain a house-lot of high value, tillable land, and worthless swamp. Our total represents a consideration of all factors known to us.

In the printed list a star indicates that the tax is not computed on the valuation shown because of legal exemption. To save space and expense the poll taxes are omitted. C. P. stands for Cochituate Park; W. P. for Woodland Park.

NATHANIEL R. GERALD,
DANIEL BRACKETT,
EDMUND H. SEARS,

— Assessors.
